FIREWISE EVENT: **“How to Have a Firewise Home”**

Saturday, March 10, 2012

9:00 a.m. to 1:00 p.m.

The Crosby Arboretum, 370 Ridge Road, Picayune, MS 39466 Ph: 601-799-

 **Firewise** is an educational program for homeowners and community leaders. Information will be presented on how to design, construct, landscape, and maintain home or community so as to withstand a wildfire without the aid of firefighting resources on scene.

 **Firewise** principles are based on National Fire Protection Association guidelines for community and home design, construction, landscaping & maintenance.

 **Firewise** workshops are **FREE** events, however, **pre-registration is required (by Feb 29th)**. Lunch, refreshments and workshop materials will be provided. Participants will learn about why homes burn, various wildland fuel reduction techniques, and how to assess the fire danger of their home.
